## VALDOBBIADENE SUPERIORE DI CARTIZZE

**90** Villa Sandi NV Vigna la Rivetta Brut (Valdobbiadene Superiore di Cartizze). Tradition dictates that Prosecco Superiore made with grapes from the Cartizze cru be made in a dry style that shows more sweetness in the mouth. Breaking with tradition, Villa Sandi offers a brut interpretation with tight citrus, crushed mineral and even some white pepper. Folio Fine Wine Partners. —M.L.
